

## **Entry Limits for IJS Events at Ann Arbor Springtime Invitational 2008**

Because we have only so many hours in a day, with one rink of IJS equipment, and we have added back the Final Rounds on Sunday, we only have time for a certain number of IJS skaters per event.

Entries will be accepted on a first-come basis. Please do NOT wait until the deadline to send in an application if you are really serious about competing here. We will not be able to make exceptions. We are setting the following limits:

Senior Ladies:	18 skaters (1x18)
Junior Ladies	36 skaters (2x18)
Novice Ladies	54 skaters (3x18)
Intermediate Ladies	84 skaters (7x12)
Juvenile Ladies	48 skaters (4x12)

Entries that come in after the limits are filled will be put on a waiting list.  
Remember, short programs and free skating programs are two separate events.  
All Boys/Men will be entered.  
These numbers do not affect those entering Test Track events at these levels.

We will do our best to accommodate everyone else. Thank you for your understanding.
