....by purchasing and using Kroger, Busch's and Whole Foods gift cards. Cards are purchased and used for face value. The Club gets 5%. It's that simple! Kroger and Busch's cards may be re-loaded for up to \$500.00 at Customer Service or at the cash register, and, the club gets 5%. If you like, you may use a credit card to re-load your gift card and still receive your points.

The Club Office has a limited supply of \$5.00 Kroger and Busch's cards for purchase during office hours. Other denominations as well as Whole Foods cards may be ordered using the order forms to be found on the table outside the office. Simply complete the form, attach your check made payable to "AAFSC" and turn it into the office or drop it in the locked box outside the club locker room. You will be notified when your card is ready for pick-up.
