

## A FEW IMPORTANT DETAILS FROM THE AAFSC OFFICE

All Skaters are **REQUIRED** to check in with Ice Monitor/PIC prior to entering the ice. Those not contracting should be prepared to provide payment prior to entering the ice. Skaters **must be** members of AAFSC to skate on Club sessions. A non-AAFSC United States Figure Skating member may skate up to **three** times before having to join AAFSC as a 2<sup>nd</sup> Club member. Proof of USFS membership and AAFSC waiver required.

**ICE PAYMENT** : This Fall AAFSC is offering three different payment levels for ice.

- ✓ **CONTRACT** – This is the best value per session. Sessions start Tuesday September 7<sup>th</sup>. Registration deadline is 5PM September 10<sup>th</sup>. Contracts submitted September 7<sup>th</sup> and after may be prorated. Ice used prior to the submission of a completed contract must be paid at the Sign-On rate (or Sign-On card) at the time of use. After 5PM September 10th a \$25 Late Fee will be assessed to all further contracts or for any added ice time. There is NO refund for contract ice. Credits to skaters accounts may be given **only** for medical reasons, when accompanied by a signed certificate from an MD . The Club office may allow switching between sessions on the same day. The sessions switched must be the same price or lower (no refunds for overpayment). If the session switched for is higher, the skater will be treated as a “Sign-on” skater and have to pay, in advance of entering the ice, the difference between the “contract” price of their original ice and the “sign-on” price of the ice they are switching to.

*EXAMPLE: Mary Jean Doe is contracted for the 1:15 session on Sunday but decides to skate on the 11:15 session Sunday instead. She will pay an additional \$5 to make this change. Her contract price for 1:15 is \$12 and the walk-on price for 11:15 is \$17. (\$17 - \$12 = \$5). If she had skated at 12:15 she would not have paid anything extra as they are similar contract sessions.*

Contract ice **cannot** be carried over to other days. Contract skaters are required to Check-In with Ice Monitor/PIC every session.

- ✓ **SIGN-ON CARDS** – The Sign-On Card is a laminated card good for ten sessions. Each punch is equal in value to one \$15 Sign-On session. If used for a lower priced session there will be NO refund. If used for a higher priced session the difference between \$15 and the Sign-On price of that session must be paid **PRIOR** to the skater entering the ice. Sign-On Cards are great for families with more than one skater or who feel that contracting for a 10 – 13 week session will not be of greater benefit. It also is easier than carrying cash. Sign-On cards can be purchased **ONLY** in the AAFSC office, during regular office hours. The price is \$145 for one card or \$280 for two cards. **WARNING: Lost cards will NOT be replaced.**
- ✓ **SIGN-ON** - AAFSC accepts cash or check (made out to AAFSC) for the Sign-On amount prior to entering the ice.
- ✓ **NOTE:** Skaters **must pay** for the session **PRIOR** to entering the ice. All Club sessions will have a PIC (Person-in-charge) or Ice Monitor who collects money at the ice entrance and then moves to the Music Booth to play music and monitor the ice. If the skater enters the ice late, he/she **MUST** go directly to the Music Booth (even if they are late for a lesson) to pay for their ice. PIC will only accept cash (no bills higher than \$20), checks (made out to AAFSC) or Sign-On cards.

### **CLEANLINESS:**

It is very important that everyone work to keep our environment neat, clean and healthy. This includes locker rooms, ice rinks and café areas. Do not leave food, tissues, tights, guards, or “anything” just lying around. You are a guest in someone else’s home. Be on your **BEST Behavior!**

### **THEFT:**

In keeping with **CLEANLINESS**, do not leave items of value lying around. Ipods, cellphones, jackets, purses, books, money, and even skates have been stolen from the rink as well as the AAFSC Locker Room. If you value your possessions please do **NOT** leave them unattended.
