Want a Private Lesson?

The Ann Arbor Figure Skating Club is offering the opportunity for our Basic Skills “Learn to Skate” skaters to take a private lesson. These lessons are offered to give the student “one on one” instruction to improve their Basic Skills.

A Professional Staff member or a Junior Coach may be contacted for private lessons.

How it Works!

1. Talk to the instructor after class
2. Come to the office and ask staff for assistance with private lesson scheduling
3. Ask for the professional Staff list
4. Ask for the Fall Ice Schedule
5. You may contact any professional or junior coach listed on the professional staff list
6. Payment for instructor is directly paid to instructor
7. Payment of ice is made to the Ann Arbor Figure Skating Club
8. You may have one lesson a week on any general ice session during the fall
9. Instructor time is scheduled through the instructor
10. Ice time MUST be scheduled and paid for in the AAFSC office BEFORE starting Lessons.

Any further questions please contact the AAFSC office staff at 734-213-6768

Basic Skills Program Evaluations for Skaters

All skating students will be continuously evaluated each week. If at any time you believe your child is in the wrong class, please contact their instructor or the Learn to Skate Coordinator, Logan Giulietti-Schmitt. A formal evaluation will be completed at the end of the program

SHOOTING STARS

The shooting Stars Program is designed to progress the Basic 6 and above skater in a faster pace program. Skaters will rotate between different stations and instructors to work on the more advanced skating skills. This includes, but is not limited to, spins, jumps, edges, dance and artistry. Skaters working on Basic 6 and above are invited to join this program and skaters who have passed Basic 8 are automatically promoted to the Shooting Stars Program.

BECOME A SHOOTING STAR AND WATCH YOUR SKATING SKILLS REACH NEW HEIGHTS

The **Ann Arbor Figure Skating Club** is committed to a Basic Skills “Learn to Skate” program of excellence. Our classes follow the guidelines developed by the United States Figure Skating and are divided according to age and ability. To insure the best quality, all of our instructors are experienced in the test and competitive structure and are present members of the United States Figure Skating. Priority is placed on giving individual attention within the group environment so that the skater can feel comfortable and progress to their maximum potential.

If you should have any questions regarding our instructors or the Coordinator of our Learn to Skate Program, please contact the Figure Skating Club office.

AAFSC Refund and Credit Policy

There will be no refunds issued for Learn to Skate classes. If a skater drops the class within 14 days of the start of the regular scheduled session, a credit will be issued to the skater’s account. After 14 days, a class can be dropped only for medical reasons with a Doctor’s note. All credits will be prorated from the date the class is dropped. Please see the office staff if you wish to drop a Learn to Skate class. They may be reached during normal business hours.
