*Ann Arbor Figure Skating Club is committed to a Basic Skills “Learn to Skate” program of excellence. Our Learn to Skate classes follow the Basic Skills Program developed by United States Figure Skating and are divided according to age and ability. We strive to have no more than eight skaters per instructor. Our class sizes are among the smallest in the area with attention to quality instruction. Our instructors are required to have high credentials to insure the best quality of instruction and the skater’s progress. If you should have any questions regarding our instructors or the Coordinator of our Learn to Skate Program, please contact the Ann Arbor Figure Skating office.*

The Ann Arbor Figure Skating Club is offering the opportunity for our Basic Skills “Learn to Skate” skaters to have a private lesson.

These lessons are offered to give the student “one on one” instruction and to improve their basic skills. A Professional Staff member or a Junior Coach may be contacted for private lessons.

### **How it works?**

1. Come to the office and ask staff for assistance with private lesson scheduling.
2. Ask for the Professional staff list.
3. Ask for the Summer Ice schedule.
4. You may contact any professional or junior coach listed on the professional staff list.
5. Payment of ice is made to the Ann Arbor Figure Skating Club.
6. Payment of instructor is directly paid to instructor.
7. You may have one lesson a week on any low level ice session during the summer.
8. Instructor time is scheduled through the instructor.
9. Ice time **MUST** be scheduled and paid for in the AAFSC office **BEFORE** you start your lessons.

Any further questions please contact the AAFSC office staff.

## Basic Skills Program Evaluations for Skaters

All skating students will be continuously evaluated each week. If at any time you believe is in the wrong class, please contact their instructor or the Learn to Skate Coordinator, Sarah Rominski. A formal evaluation will be completed 6 weeks into the program and at the end of the program.

The Shooting Stars Program is designed to progress the Basic 6 and above skater in a faster paced program. Skaters will rotate between different stations and instructors to work on the more advance skating skills. This includes, but is not limited to, spins, jumps, edges, dance and artistry. Skaters working on Basic 6 and above are invited to join this program and skaters who have passed Basic 8 are automatically promoted to the Shooting Stars Program.

Become a Shooting Star  and watch your skating reach new heights!

For further questions about this program you may contact the AAFSC Office at 734-213-6768 or Program Coordinator Jason Deveikis at 734-355-1817. You may email Jason at [a2jason@gmail.com](mailto:a2jason@gmail.com). 

## Skates, Helmets and Clothing

Rental skates and helmets are available for all classes at no extra charge. Helmets are strongly recommended for skaters under 5 years of age and all beginning skaters. Helmets are limited in number and are available on a first come basis. You may bring your own biking or hockey helmet. Skaters should always wear gloves and warm comfortable clothing.
