Rental skates and helmets are available for all classes at no extra charge. Helmets are strongly recommended for skaters under 5 years of age and are advised for all beginning skaters. There are a limited number of helmets available and are on a first come, first served basis. You may bring your own bike or hockey helmet. Skaters should always wear gloves and warm comfortable clothing.

After 14 days, a class can be dropped only for medical reasons with a Doctor's note. All credits will be prorated from the date the class is dropped. Please see the office Staff if you wish to drop a LTS class. They may be reached during normal business hours

Shooting Stars

Skaters will rotate between different stations to work on more advanced skating skills such as spins, jumps, dance and artistry in motion in small groups. Skaters will continue to work on badge levels. Skaters working on badge 6 and above are invited to join. Skaters who have passed Basic 8 are automatically promoted to the Shooting Stars program.

Become a Shooting Star and watch your skating reach new heights. Questions about this program can be directed to Jason Deveikis, Shooting Stars coordinator.
